### How to use these tables:

To select the service required, identify the destination where the shipment is to be delivered to or collected from. Review the quoted delivery times and select the express delivery service which best suits your needs.

Delivery times are quoted in working days, and based on deliveries to major towns and cities. All delivery times are approximate and subject to customs clearance. Please contact Customer Services to confirm the exact delivery times for a specific address or if your destination is not included in the transit guide. Using the zone number to the right of your chosen destination, please refer to your rate agreement and calculate the cost.
